The truly extraordinary first season of the One Home Journey in the home continent of our common origin, AFRICA, is culminating this 21 December 2024! We are incredulous with awe, wonder and gratitude for the wisdom of the past and innovations for the future, of the 4120 inter-generational individuals and over 40 diverse communities, initiatives and organisations we co-created with - from Zimbabwe, to South Africa, to Lesotho, to Tanzania, to Uganda (including refugee settlements, hosting communities from DR Congo and South Sudan) and finally, to Kenya.
