

# ONE HOME JOURNEY

**2024-2030: 7 Years for 7 Generations**  
 a collective future-building expedition to all countries on Earth  
*Initiated by the Home for Humanity movement for human flourishing and planetary regeneration,  
 in collaboration with global partner organizations*

**Week 1 to Week 3: Geneva – Zimbabwe – South Africa**

**Dear Friends and Co-Creators,**

The One Home Journey is in its third week and advancing strongly. From a joyous send-off from Bugey Sud, France, the “home region” of our original Home for Humanity, and Geneva, Switzerland, the One Home Journey grounded itself in Southern Africa, the cradle of humanity, starting with a phenomenal Earth Week in Zimbabwe.

Now, the One Home Journey is immersed in South Africa – in this 30<sup>th</sup> year of its independence. We look forward to seeing you “live”, to engage with Changemakers from South Africa on our next [Earth Family Call, on Sunday, 13 October.](#)

Thank you for your accompaniment, good wishes and support, which have ensured this potent and productive start of the journey.

*Alexander and Rama, the expanded Zimbabwe Home for Humanity family, Homes for Humanity worldwide, and all our planetary partners.*

*From our grand send-off concert-conference hosted by our local region of Bugey Sud in rural France, to the collective Peace and Unity Walk in Geneva from the UN to the airport and Unite4Peace.live global Broadcast, to our welcome and blessing in Soweto by local Wisdom Keepers, the One Home Journey got off to an auspicious and fruitful start!*

**Experience with us the first Border Crossing on the One Home Journey - on foot, across the Limpopo River, from Zimbabwe to South Africa.**

The first cross-border human relay of the One Home Journey: Dr. Xavier Poshiwa, Dean of the Faculty of Agriculture and Engineering of the Great Zimbabwe University (our new Home for Humanity) drove us personally on the long, bumpy road from Musvingo to the Zimbabwean Border... and handed us over to the care of Rutendo Ngara, Co-Founder of Ancient Wisdom Africa (Earth Ambassador and Partner Organisation of the One Home Journey), who had driven all day from Johannesburg, and waited long hours with us in the serpentine queues to cross the border, into South Africa!
