

ONE HOME JOURNEY

2024-2030: 7 Years for 7 Generations

a collective future-building expedition to all countries on Earth

Initiated by the Home for Humanity movement for human flourishing and planetary regeneration, in collaboration with global partner organizations

EARTH FAMILY CALL UGANDA

13 November 2024

Dear Friends and Co-Creators on the One Home Journey,

We are writing to you as we drive through the night, culminating our incredible immersion in Tanzania (including the last 60 hours of challenging car breakdowns in remote areas!) with our local host Mr. Mugyabuso, to reach the Ugandan border! There, we will be met by Ruphin Kungwa and Roger Kivatsi, two outstanding youth leaders from DR Congo, now refugees in Uganda. We will go directly with them to the Nakivale Refugee Settlement where they live, to spend two days in intense workshops and interactions with their community. Then, we will travel together with Ruphin and Roger across Uganda to interact with other groundbreaking youth-led initiatives, and culminate at the Rhino Refugee Camp with Youth Camp Africa!

This immersion in Uganda, highlighting Youth for the Future and especially refugee youth leaders, will be particularly uplifting and heartwarming.

We are deeply touched to invite you to meet, hear, and celebrate these inspiring youth leaders and their initiatives! **Join us for our [EARTH FAMILY CALL UGANDA](#) this coming Saturday, 16 November at 3pm CET / 5pm EAT – live from the Rhino Refugee Camp.**

This Call culminates the One Home Journey's Uganda Immersion with Inspiring Youth Leaders from Refugee Camps and Innovative Initiatives.

Looking forward to having you with us, and please share this invitation widely. Please Register here in one click to receive your zoom link! [INVITATION](#)

With warm wishes, Alexander & Rama and the Home for Humanity Team, together with our local and global partner organisations
